REPORT – [TERMIS World Congress 2012](#)

The TERMIS World Congress was held in Vienna from 5th to the 8th September 2012 and was well attended by TCES members. This report by John Haycock provides a summary of the highlights.

TCES Meeting 2013

The [next TCES conference](#) will be hosted by CITER in Cardiff University on the 23rd-25th July 2013

[TCES Awards](#) – Applications now being accepted

Three prestigious awards are available:

- Early Stage Investigator Award (for high flying postdocs and junior research fellows in TCES)
- Essay Prize (for students with a talent for writing about topics of interest to TCES members)
- Short Term Scientific Missions (funding to support short visits to other labs)

The schemes are described in detail in this [article](#) by the new TCES Awards Coordinator Araida Hidalgo

[TCES Travel Bursaries](#) – a maximum of £150 is provided to TCES members (post-graduate and post-doctoral researchers) to help promote tissue and cell engineering research. To be eligible to apply, you must have had an abstract accepted for a conference (national or international) that is relevant to the TCES. Applicants who receive an award will have to write a short summary about the conference for the TCES newsletter. The application form and submission process have changed for 2013, please visit the [TCES website](#) for more details. Links to summaries from some recent beneficiaries of TCES Travel Bursaries are listed below.
